

CHECKLIST Bachelor of Engineering (Honours)/Master of Engineering – Chemical Engineering (2350): Completion of pre-2021 program

Full name: _____ Student Number: _____ Date: _____

Points to note

- You need to ensure that you meet minimum program and major requirements (listed below)
- You cannot count the same course twice
- You need to ensure that you don't take courses that are incompatible with courses that you have already counted towards your program, and that any prerequisites have been met

You must complete for the BE(Hons)/ME (Chemical Engineering Plan code: CHEMIX2350), 80 units comprising -

1. 64 units being all courses from part A – compulsory (listed below), and
2. 8 units from the combination of parts B1, B2, B4 and N - electives, and
3. 8 units from electives, being courses on the BE(Hons)/ME list or other courses approved by the executive dean, with:
 - (i) a maximum of 4 units from courses in part B0 of the BE(Hons)/ME(Chemical) list, and
 - (ii) a maximum of 4 units from level one courses not on the BE(Hons)/ME list.

PART A

Tick the courses you have completed and nominate the alternative course you plan to choose (if required). Discontinued courses are coloured red.

✓/X compl.	Pre-2021 Part A list	#	Last offered	If NOT completed – you can choose*:	Sem offering	#	First offered	✓/X compl.
