

CHECKLIST Bachelor of Engineering (Honours) – Electrical & Biomedical Engineering (2342): Completion of pre-2021 program

IMPORTANT Notes:

- The information contained in this document is intended as general advice only. Students must follow the program rules & requirements listed on the [Programs and Courses Website](#) relevant to the year they commence. This planner must be used in conjunction with your program duration course list and program rules.
- Students need to check future course offerings, prerequisites, incompatibilities and restrictions for all courses as these are subject to change.
- Students cannot take courses that are incompatible with courses already counted towards their program, and cannot count the same course twice.

You must complete for the BE(Hons) (Electrical & Biomedical Engineering Plan code: ELBIOW2342); 64 units comprising –

- 60 units, comprising
 - 52 units, being all courses from [part A](#) - compulsory, comprising-
 - 8 units from the combination of [part B](#) and [part C](#) electives with
 - a minimum of 4 units from [part C](#), and
 - a maximum of 4 units from level one courses, and
- 4 units from electives.

PART A

Tick the courses you have completed and nominate the alternative course you plan to choose (if required). Discontinued courses are coloured red.

✓/x compl.	Pre-2021 Part A list	#	Last offered	If NOT completed – you can choose*:	Sem offering	#	First offered
52 units, being all courses from Part A – Compulsory
