The Faculty of Engineering, Architecture and Information Technology invites outstanding European students to apply for scholarships to study at the University of Queensland.

The scholarships are available for students applying for one of the following programs:

- Master of Architecture
- Master of Computer Science
- Master of Computer Science (Management)
- Master of Engineering Science
- Master of Engineering Science (Management)
- Master of Information Technology
- Master of Information Technology (Management)
- Master of Interaction Design

Conditions
The scholarships cover 50% of the tuition fee for the duration of a standard coursework Masters program. The scholarships are available for European students who have completed undergraduate studies.

The successful applicants must be classed as an international student in Australia (Australian permanent residents and Australian citizens are not eligible).

Scholarship applications must be received at UQ by:
- 31 October to commence in Semester 1 (February)
- 30 April to commence in Semester 2 (July)

Application
For application forms or further information visit http://www.eait.uq.edu.au/pg-international-scholarships

Ms Laurence Ledrut, France, received the distinguished honour of a Dean’s Commendation for High Achievement in the Master of Engineering - Engineering Science (Chemical Engineering)

“I decided to study at the University of Queensland because of its reputation as one of the best universities in Australia. I believe UQ can offer an incredible amount of value to my engineering qualifications”.

“It is very important for an engineer to receive a broad education to be able to analyse and solve any problems in their career, UQ provides this”.

“UQ is an amazing university with many opportunities. UQ has provided me with excellent academic learning and professional development. I have also made wonderful friendships here and I have had some fantastic experiences. UQ has definitely enriched me”.
