Faculty of Engineering, Architecture & Information Technology
Credit Assessment and Study Plan

Institution: Singapore Polytechnic, Singapore
Original Program: Diploma in Information Technology (Games Development Option)
UQ Program: Bachelor of Information Technology
UQ Major (Plan): no major

Specific Credit: 12 units: CSSE1001, DECO1100, DECO1400, DECO1800, INFS1200, DECO2300
Block Credit: 12 units: #6 Unspecified Level 1 General Electives, #6 Unspecified Level 2+ Electives
Exemptions: COMP3506
Total Credit: 24 units (#24)
UQ Units Required: 24 units (#24)
UQ Study Duration: March commencement: 3 semesters = 1.5 years (not counting any summer semesters)
July commencement: 3 semesters = 1.5 years (not counting any summer semesters)

Further exemptions may be possible depending on the free electives chosen in the Games Development Option. Academic advice should be sought on a case-by-case basis. It may be possible to complete some single majors with an appropriate choice of electives.

### Recommended Study Plan for Semester One (March) Commencement
Courses are 2 units (#2) unless otherwise indicated.

Notes: Max #2 of electives permitted at level one.

Study plans are indicative only. Students must attend a Faculty academic advising session during Orientation Week to confirm their study plan. Any variations to the study plan must be discussed with an Academic Advisor, and approved by the Associate Dean (Academic). Students must choose courses (including electives) that follow the program rules and course list referred to below. Exempted courses must not be studied. There are limits on the number of level one electives. Students who fail one or more courses must seek academic advice to update their study plan.
