The Micreo Scholarship in Electrical Engineering

(The scholarship was established in 2012 and is maintained by an annual gift from Micreo Limited)

1 Purpose
The purpose of the scholarship is to encourage and assist meritorious students in third and fourth years of study in the Bachelor of Engineering, in the electrical engineering discipline.

2 Definitions
In these rules-
Approved undergraduate Engineering program includes a dual program that includes a Bachelor of Engineering program and the integrated Bachelor / Master of Engineering program
Head means the Head of School, School of Information Technology and Electrical Engineering.
relevant field means any field of engineering in the electrical engineering discipline
scholarship means the Micreo Scholarship in Electrical Engineering.

3 Value and award of scholarship
(1) The value of the scholarship is $6,000 for each year for which it is held.
(2) The Senate may offer 1 scholarship each year on the recommendation of the Head.

4 Additional benefits
(1) Micreo may offer the recipient of a scholarship any of the following opportunities -
   (a) thesis mentoring;
   (b) an ambassadorial role;
   (c) vacation employment at any Micreo site for any period during the period in which the recipient holds
the scholarship, determined by Micreo in consultation with the recipient.

5 Eligibility for award
An applicant is eligible for the scholarship, if the applicant -
(a) submits an application to the Head, by the closing date for applications; and
(b) is a domestic student within the meaning of the Fee Rules; and
(c) has completed at least 32 units in the approved undergraduate program; and
(d) does not hold a scholarship that the Head considers to be similar; and
(e) will be enrolled full-time in the approved undergraduate program in the relevant field in the year of
the Award; and
(f) will undertake studies in the fields of microwave or photonics engineering during the years of the award.

6 Selection of award
(1) For the selection process, the Head must establish a selection committee, comprising-
   (a) the Head, or nominee, as chair of the committee; and
   (b) at least one representative of Micreo; and
   (c) at least one member of the university's academic staff who is currently teaching in the relevant field,
with university staff comprising the majority.
(2) The scholarship is awarded to the applicant showing greatest merit as demonstrated by -
   (a) academic achievement in courses undertaken in the approved undergraduate program in the relevant
field; and
   (b) strength of interest that the applicant demonstrates in completing at least one period of vacation
employment at Micreo; and
   (c) personal qualities, including leadership potential; and
   (d) any other matter that the selection committee considers to be relevant to the applicant's future success
in the electronic radio frequency and microwave engineering profession.
7 Conditions for scholarship
(1) The recipient may hold the scholarship for up to 2 years, subject to the recipient -
(a) continuing to be enrolled full-time in the relevant field; and
(b) passing all courses in which they are enrolled; and
(c) achieving a GPA of at least 5 for each semester of study; and
(d) not holding another scholarship that the Head considers to be similar; and
(e) conducting themselves in a professional manner while performing the duties of employment or an
ambassadorial role.
(2) If a recipient fails to satisfy rule 7(1), the recipient must show cause to the Head, why the scholarship
should not be cancelled.
