THE INSTITUTION OF CHEMICAL ENGINEERS (IChemE) MING LEUNG SCHOLARSHIP

(Established in 1993 and maintained by an annual gift from by the Queensland Branch of the Institution of Chemical Engineers (IChemE). Professor Ming Leung was a greatly respected and highly talented chemical engineer as well as Head of the Department of Chemical Engineering from 1980 to 1985. His untimely death was a great loss to both the profession and to the University.).

1 Purpose
The purpose of the scholarship is to encourage a meritorious student in the third year of study in the any field of engineering associated with the chemical engineering discipline in the Bachelor of Engineering program.

2 Definitions
In these rules -
Associate Dean means the Associate Dean (Academic), Faculty of Engineering, Architecture and Information Technology.
Bachelor of Engineering program includes a Bachelor of Engineering program and a dual program that includes a Bachelor of Engineering component.
IChemE means Institution of Chemical Engineers.
relevant field means any field of engineering associated with the chemical engineering discipline.
scholarship means the Institution of Chemical Engineers (IChemE) Ming Leung Scholarship.

3 Award and value of scholarship
(1) The Senate may award 1 scholarship each year on the recommendation of the Associate Dean.
(2) The value of the scholarship is $2,000 held for one year.

4 Eligibility for award
An applicant is eligible for the scholarship, if the applicant -
(a) submits an application to the Associate Dean, by the closing date for applications; and
(b) is a domestic student within the meaning of the Fee Rules; and
(c) enrolled full-time in the third year of the Bachelor of Engineering program; and
(d) is a member of IChemE or has applied for membership prior to application; and
(e) does not hold another scholarship that the Associate Dean considers to be similar.

5 Selection of award
(1) For the selection process, the Associate Dean must establish a selection committee, comprising -
(a) the Associate Dean, or nominee, as chair of the committee; and
(b) at least one representative of the Queensland Branch of IChemE who is not an employee of the University; and
(c) at least one member of the university's academic staff who is currently teaching in the relevant field, with university staff comprising the majority.
(2) The scholarship is awarded to the applicant showing greatest merit as demonstrated by -
(a) academic achievement in courses undertaken in the Bachelor of Engineering program; and
(b) personal qualities, including leadership potential; and
(c) any other matter that the selection committee considers to be relevant to the applicant's future success in the chemical engineering or environmental engineering profession.
(3) The selection committee may decide to interview short-listed applicants.

7 Conditions for scholarship
(1) The recipient may hold the scholarship for 1 year, subject to the recipient -
(a) continuing to be enrolled full-time in the relevant field; and
(b) achieving a GPA of at least 5 for each semester of study; and
(c) not holding another scholarship that the Associate Dean considers to be similar; and
(2) If a recipient fails to satisfy rule 7(1), the recipient must show cause to the Associate Dean, why the scholarship should not be cancelled.
