The Faculty of Engineering, Architecture and Information Technology at UQ invites outstanding students that have studied in Malaysia to apply for scholarships to study at the University of Queensland.

The scholarships are available for students applying for one of the following programs with credit from studies in Malaysia:

- Bachelor of Engineering (Hons)
- Bachelor of Information Technology
- Bachelor of Multimedia Design

**Conditions**

The scholarship covers 50% of the tuition fee for the duration of a standard undergraduate program. The scholarships are available for international students who have completed postsecondary studies in Malaysia and are eligible for credit articulation.

The successful applicants must be classed as an international student in Australia (Australian permanent residents and Australian citizens are not eligible).

Scholarship applications must be received at UQ by:
- 31 October to commence in Semester 1 (February)
- 30 April to commence in Semester 2 (July)

**Application**

Malaysian student Aiza Zaidin is awarded the University's most prestigious prize in mechanical engineering.

Ms Zaidin, from Malaysia, is the second woman to win the KBR Prize, which is presented annually to the student who completes the best thesis project in mechanical engineering as nominated by the Head of the School of Engineering.

Ms Zaidin received a $5000 prize and certificate presented by Mr Anthony Goodwin from engineering firm Halliburton KBR.

Ms Zaidin graduated with a Bachelor of Engineering (Mechanical Engineering) with first-class Honours.
