1 Purpose
The purpose of the scholarship is to encourage and assist meritorious students in their final 2 years of study in the Bachelor of Engineering program, in any field of the mining engineering discipline.

2 Definitions
In these rules -
Bachelor of Engineering program includes a dual program that includes the Bachelor of Engineering program.
Head means the Head of School, School of Mechanical and Mining Engineering.
Peabody means Peabody Energy Australia Pty Ltd.
relevant field means any field of engineering in the mining engineering discipline.
scholarship means the Peabody Energy Australia Pty Ltd Engineering Scholarship.

3 Value and award of scholarship
(1) The value of the scholarship is $10,000 for each year for which it is held.
(2) The Senate may award up to 2 scholarships each year on the recommendation of the Head.

4 Additional benefits
Peabody may offer recipients of a scholarship any of the following opportunities -
(a) thesis mentoring;
(b) an ambassadorial role;
(c) vacation employment at any Peabody site and for any period during the period in which the recipient holds the scholarship, determined by Peabody, in consultation with the recipient.

5 Eligibility for award
An applicant is eligible for the scholarship in a year, if the applicant-
(a) submits an application to the Head, by the closing date; and
(b) is a domestic student within the meaning of the Fee Rules; and
(c) is enrolled in the second year of the Bachelor of Engineering program in the relevant field; and
(d) intends to enrol in the third year of the Bachelor of Engineering program in the following year; and
(e) does not hold a scholarship that the Head considers to be similar.

6 Selection of award
(1) For the selection process, the Head must establish a selection committee, comprising -
   (a) the Head, or nominee, as chair of the committee; and
   (b) at least one representative of Peabody; and
   (c) academic staff members who are currently teaching in the relevant field, with university staff comprising the majority.
(2) The scholarship is awarded to the applicant showing greatest merit as demonstrated by -
   (a) academic achievement in courses undertaken in the Bachelor of Engineering program; and
   (b) strength of interest that the applicant demonstrates in completing at least one period of vacation employment at Peabody; and
   (c) strength of interest that the applicant demonstrates in the relevant field; and
   (d) personal qualities, including leadership potential; and
   (e) any other matter that the selection committee considers to be relevant to the applicant's future success in the mining engineering profession.
(3) The selection committee may decide to interview short-listed applicants.

7 Conditions for scholarship
(1) The recipient may hold the scholarship for up to 2 years, subject to the recipient -
   (a) continuing to be enrolled full-time in the Bachelor of Engineering program in the relevant field; and

(b) achieving a GPA of at least 5 for each semester of study; and
(c) conducting themselves in a professional manner while performing any ambassadorial role or duties of
vacation employment.

(2) If a recipient fails to satisfy rule 7(1) the student must show cause to the Head why the scholarship should
