The University of Queensland – Kyushu University
Academic Exchange Workshop
(organised by the UQ-KU Project within the School of Mechanical and Mining Engineering)

Monday 17 September 2018, 9:15am – 1:00pm
Level 5 Seminar Room, Advanced Engineering Building (#49),
University of Queensland, St Lucia

WORKSHOP SCHEDULE

Chair: Jonathan Read (Administrator of UQ-KU Project, UQ)
Guest: Akiko Uchiyama (Lecturer, School of Languages and Cultures at UQ and the Convenor of the Master of Arts in Japanese Interpreting and Translation (MAJIT) program)

9:15 am Workshop opening and UQ-KU project overview
Kazuhiro Nogita (Professor and Manager of UQ-KU project, UQ)

9:30 am Introduction to the School of Mechanical and Mining Engineering at UQ,
Ross McAree (Professor and Head of School, UQ)

9:50 am Introduction to Kyushu University and the Faculty of Engineering,
James Cannon (Deputy Director of International Center, Faculty of Engineering, KU)

10:10 am Overview of the Centre for Advanced Materials Processing and Manufacturing (AMPAM),
Matthew Dargusch (Professor and Director of AMPAM, UQ)

10:30 am Morning tea

11:00 am Introduction to the Faculty of Information Science and Electrical Engineering,
Kohei Higashikawa (Associate Professor, KU)

11:20 am Introduction to the Faculty of Agriculture,
Wataru Mizunoya (Assistant Professor, KU)

11:40 am Overview of MOOC and Centre for Hypersonics,
David Mee (Professor and School Chair of the International Development and Engagement Committee, UQ)

12:00 pm Lunch

1:00 pm Workshop concludes

Enquiries: Prof. Kazuhiro Nogita, School of Mechanical and Mining Engineering, UQ
Telephone: 3345 3919 Email: k.nogita@uq.edu.au
