

Semester 2, 2020 Scholarships

You may be eligible to apply for the following UQ Computer Science, Engineering and Information Technology Scholarships using the Faculty's on-line application form. Before applying for any scholarship, please ensure that you are eligible to apply. To do this please check the scholarship rules available on the University's Scholarship web page www.scholarships.uq.edu.au.

Name	Eligibility	Award Value	Applications Close
Joan Elizabeth Wickham Memorial Scholarship	Female students experiencing financial hardship and studying for the Bachelor of Engineering (Honours), engineering integrated or dual program.	\$5,130.00 p.a. duration for completion of program.	17 August, 2020
EM Solutions Engineering Scholarship	2 nd year engineering students facing financial hardship who have completed #12, but not more than #27 towards the Bachelor of Engineering (Honours), or engineering integrated or dual program. Preference for electrical engineering disciplines.	\$4,500.00 approx. for 2020. Duration up to 3 years	24 August 2020
Institute of Chemical Engineers, Ming Leung Scholarship	3 rd year students studying in any field of the chemical engineering discipline towards the Bachelor of Engineering (Honours), or integrated engineering or dual program. Must be a member of the Institute of Chemical Engineers.	\$2,000.00 Duration is 1 years	24 August 2020
Chemical Engineering Student Society Bursary	2 nd students studying in any field of the chemical engineering discipline towards the Bachelor of Engineering (Honours), or integrated engineering or dual program.	\$2,000.00 Duration 1 year	24 August 2020
EY Energy Scholarship	3 rd year students studying in any field of the electrical engineering discipline in a <u>single</u> , engineering dual or integrated engineering program.	\$7,500.00 Duration 1 year	24 August 2020

Alumni Advantage Scholarship in Computer Science	Students enrolled the Bachelor of Computer Science program (or dual) facing financial disadvantage; and/or a female student; and/or Aboriginal and/or Torres Strait Islander person.	\$3,000.00 Duration 1 year	24 August 2020
Alumni Advantage Scholarship in Electrical Engineering	Students to enrolled Bachelor of Engineering (Honours) or integrated program, (or duals) in any field of electrical engineering or software engineering disciplines facing financial disadvantage; and/or a female student; and/or Aboriginal and/or Torres Strait Islander person.	\$3,000.00 Duration 1 year	24 August 2020
Brian McGrath Bursary in Civil Engineering	Final year students studying in any field of the civil engineering discipline graduating in 2020. Bursary may assist to cover expenses connected with an undergraduate thesis.	\$1,000.00 Duration for 1 year	31 August 2020
Chin Family Trust Prize in Engineering and Computing	Any student from PR China studying Computer Science or Engineering or Information Technology having completed 12 units of study at The University of Queensland.	\$1,000.00 Duration for 1year	31 August 2020
John Simmons Student Mobility Fund	To support mechanical engineering students to support interstate or overseas curricular activities.	\$500.00 Duration for 1 semester	7 September 2020
UQ Women in Action Fund	To support female students studying Computer Science / Engineering /Design/ Information Technology to engage in community and industry-based experiences via study tours, student exchange, and short term professional and personal development experiences.	\$1,000.00 Up to 5 awards per semester	7 September 2020
UQ Summer Research Program	Participation is open to undergraduate, honours, or master's by coursework students, who have completed at least one year of study and are currently enrolled at the time of application.	Varies	27 September 2020

Liveris Academy Undergraduate Scholarship	<p>This scholarship is available to First Year Computer Science / Engineering / Information Technology / Science / Mathematics students who commencing in semester 2, 2020 who attained an ATAR rank (before bonus points) of 99.00 (or equivalent) or OP equivalent.</p>	<p>\$10,000 p.a. Duration Up to 6 years</p>	<p>19 October 2020</p>
Kenneth A Thiess Prize	<p>Final year students studying civil engineering and expected to graduate in semester 2, 2020 or semester 1 2021.</p>	<p>\$2,000.00 approximately for 1 year</p>	<p>23 October 2020</p>
