Apply for a scholarship

Make your UQ experience more affordable with the support of a scholarship. You may not think you’re eligible for a scholarship, but you might be surprised!

University-wide scholarships

UQ has a range of scholarships designed to reward the achievements of outstanding school leavers, to identify, support and develop tomorrow’s leaders, and to offer support to students who might not otherwise be able to attend university.

UQ also has a number of other scholarships for both undergraduate and postgraduate students that provide fee relief or financial assistance, which you can apply for even after you have started at UQ.

Keep an eye out for upcoming scholarships related to your study area. There are also scholarships to help with studying abroad, assistance for regional and rural students, and career-specific scholarships.

If you are completing Year 12 in 2020, or you completed Year 12 in 2019 and are on a gap year, you may be eligible to apply for a scholarship.

Engineering, Computing, Architecture scholarships

Agility Applications Regional QLD ICT Scholarship

To encourage and support first- and second-year students from regional areas to pursue a Bachelor of Computer Science, Bachelor of Information Technology or Bachelor of Engineering (Honours) in electrical and computer or software.

Award value: $8000 for one year.

Alumni Advantage Scholarship in Electrical Engineering

To support first-year students undertaking the Bachelor of Engineering (Honours) program (including a dual program) in the field of electrical engineering or software engineering from an ‘under-represented’ cohort – this means that the student will be facing financial disadvantage, and/or is female, and/or is Indigenous.

Award value: $3000 for one year.

Alumni Advantage Scholarship in Computer Science

To encourage and support first-year students undertaking a Bachelor of Computer Science, from an ‘under-represented’ cohort – this means that the student will be facing financial disadvantage, and/or is female, and/or is Indigenous.

Award value: $3000 for one year.

Leeanne Bond Scholarship for Women in Engineering

To encourage and support a female student in the first year of the Bachelor of Engineering (Honours) or Bachelor of Engineering (Honours)/Master of Engineering programs.

Award value: $5000 for one year.

Faculty of Engineering, Architecture and Information Technology Year 12 International Award

To assist international students who have completed senior high school.

Award value: $10,000.

Liversi Academy Undergraduate Scholarship

The Liversi Academy Scholarship was established in 2019 by global business leader Andrew Liversi and his wife Paula Liversi, who generously donated $1.5 million to the University of Queensland to help establish the Andrew N. Liversi Academy for Innovation and Leadership in the University’s Faculty of Engineering, Architecture and Information Technology.

The Liversi Academy aims to build a generation of effective and inspiring leaders with a mindset geared towards creating a sustainable future. The Liversi Academy is supported in part by the income generated from an endowed fund.

Award value: $30,000 per year.

The Warwick Solar Farm – Bright Futures Scholarship

The Warwick Solar Farm – Bright Futures Scholarship was established in 2020 and maintained by an annual gift from Properties and Facilities Division – Energy and Sustainability, The University of Queensland.

The purpose of The Warwick Solar Farm – Bright Futures Scholarship is to encourage and support commencing first-year students studying a Bachelor of Engineering (Honours), Bachelor of Information Technology, Bachelor of Architecture or Bachelor of Computer Science, from the Local Government District of the Southern Downs Regional Council who have experienced financial disadvantage to pursue studies at The University of Queensland.

Award value: $5000 per year.

Western Australia Alumni Regional Scholarship for Engineering

To encourage and support a first-year student from remote or regional areas to study the Bachelor of Engineering (Honours) or Bachelor of Engineering (Honours)/Master of Engineering programs.

Award value: $5,000 per year for up to four years.

There are also many scholarships available for students in second and later years that provide fee relief or financial assistance.

scholarships.uq.edu.au

“The impact that scholarships have on students is overwhelmingly positive and I can’t be thankful enough for the support I have been offered. The opportunities they have provided me completely transformed by university experience and enriched it with invaluable academic and cultural experiences. Knowing that someone else believes in my potential and has invested in my future has strengthened my dedication to my studies. I hope that one day I too will be in a position where I can support students to pursue their dreams.”

Anastasia Laczko

Bachelor of Engineering (Honours) (Mechatronic) and Information Technology (Software Design) (Current Student)

UQ Scholarship recipient

Warwick Solar Farm – Bright Futures Scholarship

The Warwick Solar Farm – Bright Futures Scholarship was established in 2020 and maintained by an annual gift from Properties and Facilities Division – Energy and Sustainability, The University of Queensland.
