INTERNATIONAL SCHOLARSHIPS

For students in 3+1+1 China Engineering Partner Program

The Faculty of Engineering, Architecture and Information Technology invites outstanding Chinese students to apply for a scholarship to study at The University of Queensland. The scholarship is available for current Chinese students undertaking the Study Abroad year as part of the 3+1+1 Engineering Partner Program at UQ and intending to articulate into the Master of Engineering Science (Coursework).

Conditions

The scholarship covers AUD$5000 towards the first semester tuition fees in the Master of Engineering Science program. The successful applicant must be a citizen of the People’s Republic of China and classed as an international student in Australia (Australian permanent residents and Australian citizens are not eligible).

Scholarship applications must be received at UQ by:
- 30 April to commence in Semester 2 (July)
- 31 October to commence in Semester 1 (February)

Application

For application forms or further information visit http://www.eait.uq.edu.au/int-pg-scholarships.
